The tents are furnished with two single beds, complete with comfortable mattresses, duvets and pillows (bed and bath linen are provided), a bedside table, a small carpet and a battery powered lamp. Guest tents are serviced daily. The en-suite bathroom includes a hot water bucket shower, traditional long-drop toilet and hand basin.

Each tent has an oil/paraffin lamp on the veranda and in the bathroom. Although each tent has lighting and there are lamps strategically around the camp for navigation, an essential tool for your safari is a headlamp which lets you read a book at night in your tent or catch up with your safari journal as you listen to the sounds of the wild outside!

The central guest area is set out in the open wilderness, taking full advantage of the natural surroundings, and is furnished with a dining table and directors chairs. There are no fixed buildings or facilities at these sites and the entire camp is erected and removed by the supply team. Please contact us for a detailed itinerary for the mobile camping safari.

### AREA DESCRIPTION – MOREMI GAME RESERVE & KHWAI COMMUNITY AREA

The Khwai Community area lies just north of the Moremi Game Reserve and is easily accessible via the North Gate of the park. Although the Khwai area is not officially part of the Moremi Game Reserve it can be seen

as an extension of it as there are no fences and animals are free to roam. Khwai was established by the former inhabitants of the reserve (the River Bushmen) and is now managed by the community through the Khwai Development Trust. The wildlife experience in Khwai is the same as inside the reserve with the key advantage being the freedom to participate in walking safaris, off-road driving and night drives as the area is not governed by National Park rules.

The vegetation is varied, with dry land complemented by permanent and seasonal swamplands, resulting in an excellent diversity of both wildlife and birdlife. Game is more concentrated around the permanent water during the dry season (Apr - Oct) with it becoming very hot in the later months. The rainy season (Nov - Apr) invigorates the lush scenery with wild flowers, dramatic thundershowers, spectacular sunsets and the birthing season brings great predator and prey interaction.

**Days 7, 8 & 9: SELINDA EXPLORERS CAMP, private Selinda Concession, eastern Selinda Spillway, Linyanti (fully inclusive)**

**Travel time: Khwai - Selinda Explorers Camp  
Approx 30 min flight and 45 minute road transfer**

Selinda Explorers Camp is poised in a remote location on the famous Selinda Spillway west of the main Selinda camp. This luxury bush camp is set under canopies of jackelberry and mangosteen trees. As the lifeline of the Selinda Reserve, the Selinda Spillway is a crucial gathering point for the wildlife of this pristine 320,000-acre Reserve.

This classic camp, consisting of four custom-designed tents, transports guests back to authentic safaris, but with a modern twist and hospitality. Each of the four walk-in tents is expansive; in keeping with a bit of traditional safari the en-suite flush loo and shower are attached and enclosed, but under the stars. Hot/cold water is provided by jug on demand. The double-vanity copper vanities and dressing make for spacious accommodation. Stylishly decorated with campaign-style furniture, decanters of cognac, Persian rugs brass hipbaths and persona hammocks adorn each verandah, the décor pays homage to the roots of safari. In balance with the wild location of this camp (about 45 minutes game drive northwest of Selinda airstrip) the camp is ecologically sensitive with 100% solar power, grey water treatment, borehole water for drinking.

The Selinda Reserve is centered on the famous Selinda Spillway, which flows through the concession from east to west linking the far reaches of the Okavango Delta in the south with the Linyanti systems in the east. It flows into the Zibadianja lagoon, then through the Savute channel and eventually ends at the Savute marsh.

Activities concentrate on getting back to nature with a guided walking and canoeing a focus. In addition day and night game drives available exploring the eastern reaches of the Selinda Reserve where there is an extensive networks of tracks. It is wildlife hot spot, with huge herds of elephants and buffalo, lion, wild dog, sable and roan antelope all frequently spotted. On safari it is possible to see a tremendous diversity of species, with particular emphasis on the smaller things only seen outside of a vehicle.
